The Dirt

¶13. (S/NF) Accusations in years past have linked Borisov to oil-siphoning scandals, illegal deals involving LUKoil and major traffic in methamphetamines. Information from SIMO tends to substantiate these allegations. Borisov is alleged to have used his former position as head of Bulgarian law enforcement to arrange cover for criminal deals, and his common-law wife, Tsvetelina Borislavova, manages a large Bulgarian bank that has been accused of laundering money for organized criminal groups, as well as for Borisov's own illegal transactions. Borisov is said to have close social and business ties to influential Mafia figures, including Mladen Mihalev (AKA "Madzho"), and is a former business partner of OC figure Roumen Nikolov (AKA "the Pasha").
